# Seven Dragons: A Guide To A Limitless Mind

Seven Dragons addresses the epidemic of information overload, attention deficient and addictions that cause us to feel unsuccessful, overwhelmed and hopeless. By mastering the Seven Dragons (congruence, overwhelm, decision procrastination, attention deficit, resistance, financial, unworthiness) we open ourselves up to a world of abundance. This is not another book about balance, success strategies, clarity or even consciousness; it is about eradicating mental patterns that are disruptive to our life's success and offers a series of profound self-coaching questions and journal opportunities that teach us how to change our state of being.

**Limitless Possibilities at New Wealth Live**

Join acclaimed conscious leader, business advisor and event host, Jeneth Blackert, as she reveals the secrets to being free during economic changes at *New Wealth Live: Limitless Possibilities* from 9 a.m. to 5 p.m. on February 11 at Omni Hotel, in Austin.

Blackert will share the stage with seven thought leaders all working to shift the emotional thoughts and feelings—what she describes as dragons—that hinder success. Using visualization, questions and energy techniques, participants will learn to open their mind and ask themselves tough questions to help tame their mental dragons.

"Your emotional perceptions and energy change your life from a so-so life to the phenomenal life you have only dreamed about," says Blackert, who has mentored hundreds of professionals. "The key is taming those dragons that hold in place perceptions that keep us from success."

At New Wealth Live, Blackert will identify the seven dragons, or thought/energy patterns, that keep people from reaching their goals. She explains how taming these thoughts/energy patterns can lead to inner peace, confidence and success. Unlike other seminars, Blackert focuses on the experience the participant will have from within, as opposed to just giving them more information.

"Observing the thoughts and energies in your mind-body allow you to have choice instead of a mental record that repeats and skips over and over in your mind," states Blackert.

Location: Omni Hotel Downtown, 700 San Jacinto Blvd., Austin 78701. For more information, call 512-809-5075 or visit [Live.NewWealthExperience.com](http://Live.NewWealthExperience.com).
